NOW, THEREFORE, We do by these Our Instructions under Our Royal Sign Manual hereby revoke the aforesaid Instructions and declare Our pleasure to be as follows —

A — INTRODUCTORY

I Under these Our Instructions unless the context otherwise require, the term "Governor General" shall include every person for the time being acting as Governor General according to the provisions of the Act

II Our Governor General shall with all due solemnity cause Our Commission under Our Royal Sign Manual appointing him to be read and published in the presence of the Chief Justice of India for the time being or in his absence other Judge of the Federal Court and of so many of the members of the Executive Council of Our Governor General as may conveniently be assembled

V And We do further direct that every person who under these instructions shall be required to take an oath may make an affirmation in place of an oath if he has any objection to making an oath.

VI The provisions of the last four preceding paragraphs shall not apply to any person holding office at the date of the commencement of Part III of the Act.

B—IN REGARD TO THE EXECUTIVE AUTHORITY OF THE GOVERNOR-GENERAL IN COUNCIL.

VII It is Our will and pleasure that Our Governor General shall use all endeavour consistent with the fulfilment of his responsibilities to Us and to Our Parliament for the welfare of Our Indian subjects, that the administration of the matters committed to the charge of Our Governor General in Council may be conducted in harmony with the wishes of Our said subjects as expressed by their representatives in the Indian Legislature so far as the same shall appear to him to be just and reasonable and shall so order the administration of his government as to further the policy of the Act for its conversion into a Federation of all India.

C—IN REGARD TO RELATIONS BETWEEN THE GOVERNOR-GENERAL IN COUNCIL AND THE PROVINCES.

VIII Whereas it is expedient for the common good of British India that the authority of Our Governor General in Council and of the Indian Legislature in those matters which are by law assigned to them should prevail.

And whereas at the same time it is the purpose of the Act that the Governments and Legislatures of the Provinces should be free in their own sphere to pursue their own policy.

And whereas in the interest of the harmonious co-operation of the several members of the body politic the Act has empowered Our Governor General to exercise, at his discretion certain powers affecting the relations between his Government and the Provinces.

It is Our will and pleasure that Our Governor General in the exercise of these powers should give unbiased consideration as well to the views of the Governments of the Provinces as to those of his own Government whenever those views are in conflict and in particular, when it falls to him to exercise his power to issue orders to the Governor

of a Province for the purpose of securing that the executive authority of the Governor General in Council is not impeded or prejudiced, or his power to determine whether Provincial law or Central law shall regulate a matter in the sphere in which both Legislatures have power to make laws.

X. It is Our desire that Our Governor General shall by all reasonable means encourage consultation with a view to common action between his Government and the Provinces and between the Provinces themselves. It is further Our will and pleasure that Our Governor General shall endeavour to secure the co-operation of the Provincial Governments in the maintenance of such Central agencies and institutions for research as may serve to assist the conduct by Provincial Governments of their own affairs.

XI. In particular We require Our Governor General before giving his previous sanction to any legislative proposal which it is proposed to introduce in the Indian Legislature for the imposition or variation of taxes or duties by which the revenues of the provincial Governments are or may be directly affected or for varying the meaning of the expression *agricultural income*, or for alteration of the principles on which under the provisions of the Act moneys are or may be distributed to the Provinces, to ascertain by the method which appears to him best suited to the circumstances of each case the views of those Governments upon the proposal.

XII. Before granting his previous sanction to the introduction into the Indian Legislature of any Bill or amendment wherein it is proposed to authorise the Governor General in Council to give directions to a Province as to the carrying into execution in that Province of any Act of the Indian Legislature relating to a matter specified in Part II of the Concurrent Legislative List appended to the Act it is Our will and pleasure that Our Governor General shall take care to see that the Governments of the Provinces which would be affected by any such measure have been duly consulted upon the proposal and upon any other proposals which may be contained in any such measure which involve the imposition of expenditure upon the revenues of the Provinces.

XIII. In considering whether he shall give his assent to any Provincial law relating to a matter enumerated in the Concurrent Legislative List which has been reserved for his consideration on the ground that it contains provisions repugnant to the provisions of an Act of the Indian Legislature Our Governor General, while giving full consideration to the proposals of the Provincial Legislature, shall have due regard to the importance of preserving substantially unimpaired the uniformity of law which the Indian Codes have hitherto embodied.

D.—MATTERS AFFECTING THE LEGISLATURE

XIV. Without prejudice to the generality of his powers as to reservation of Bills, Our Governor General shall not assent in Our name, to but shall reserve for the signification of Our pleasure any Bill of any of the classes herein specified: that is to say—

- (a) any Bill the provisions of which would repeal or be repugnant to the provisions of any Act of Parliament extending to British India,

- (b) any Bill which in his opinion would if it became law so derogate from the powers of the High Court of any Province as to endanger the position which those Courts are by the Act designed to fill,
- (c) any Bill regarding which he feels doubt whether it does or does not, offend against the purposes of Chapter III Part V, or section 299 of the Act,
- (d) any Bill passed by a Provincial Legislature and reserved for his consideration which would alter the character of the Permanent Settlement

XIV It is further Our will and pleasure that in pursuance of the Agreement made between Us and His Exalted Highness the Nizam of Hyderabad as contemplated in Part III of the Act Our Governor General in declaring his assent in Our name to any Bill of the Legislature of the Central Provinces and Berar which has been reserved for his consideration shall declare that his assent to the Bill in its application to Berar has been given by virtue of the Agreement between Us and His Exalted Highness the Nizam

E—GENERAL

XV And generally Our Governor General shall do all that in him lies to maintain standards of good administration to promote all measures making for moral social and economic welfare and tending to fit all classes of the population to take their due share in public life and to secure amongst all classes and creeds co-operation goodwill and mutual respect for religious beliefs and sentiments and he shall further have regard to this Instruction in the exercise of the powers by law conferred upon him in relation to matters whether of legislation or of executive government

XVI And finally it is Our will and pleasure that Our Governor General should so exercise the trust reposed in him that the partnership between India and the United Kingdom within Our Empire may be furthered to the end that India may attain its due place among our Dominions

XVII And We do hereby charge Our Governor General to communicate these Our Instructions to the Members of his Executive Council and to publish the same in such manner as he may think fit
